

Elegant Universe Questionnaire

Class,

I hope you enjoyed this video. It represents a lot of class time—I hope it was well spent.

I have some questions I want you to answer relating to the video. First, rate the video on a scale of 1 to 10 (1 being horrible and 10 being as good as it gets—but 7 would be average—like the standard grading scale).

1. The video was understandable and clear.
2. It was well presented and interesting.
3. I learned something watching the video I would not have learned by doing my regular homework assignments.
4. After watching the video, my belief in Newtonian mechanics is—
5. After watching the video, my belief in the Theory of Relativity is—
6. After watching the video, my belief in Quantum mechanics is—
7. After watching the video, my belief in String Theory is—
8. The video was worth using class time to watch.
9. This video would be valuable for Physics 1-2 students to view.
10. My overall rating of this video is—
